A majority of schools decided that they want to play games this year but not in a competitive format. To that end, we will use the groupings for the 2020 competitions as a base for our football games this year. Co-ordinators have been contacted in each group. They will contact the schools in their group and decide which format is most suitable – blitz form or individual games. If the format is not unanimous, the majority verdict applies. If the verdict on format is a tie, then the co-ordinator decides. This non competitive approach will mean that all boys will get game time and because there will not be any final days, groupings can be played up to end of school year.

Please remember the following:

- 1. All players must wear gum shields.
- 2. Juvenile goalposts must be used.
- 3. Referees for group games are the responsibility of the participating schools.
- 4. A teacher must be present at every game involving their school.
- 5. **RESPECT** must be shown at all times to referees and opponents.
- 6. The usual rules of Gaelic Football apply except:
  - All kick-outs are taken from the hand

#### One hop, one solo or two solos allowed

No "square ball" rule applies

"45m" kicks are taken from ground 30 m from the goal – boys only.

No penalties are awarded for personal fouls inside the small square.

Girls are only allowed to play in 5, 6 or 7 a side boys games. Girls playing in a boys game must obey normal rules e.g. not allowed to pick ball directly off ground.

# Mandatory for all boys and girls to wear gum shields at all training and during games.
